THIS PRACTICE HAS ADOPTED THE FOLLOWING POLICIES FOR CHARGES FOR HEALTH CARE SERVICES

We will charge persons receiving health services at the usual and customary rate prevailing in this area. Health services will be provided at no charge, or at a reduced charge, to persons unable to pay for services. In addition, persons will be charged for services to the extent that payment will be made by third party authorized or under legal obligation to pay the charges.

We will not discriminate against any person receiving health services because of his/her inability to pay for services, or because payment for the health services will be made under Part A or B of the Title XVIII (Medicare) or Title XIX (Medicaid) of the Social Security Act. We will not discriminate patients based upon race, color, sex, national origin, disability, religion, age, sexual orientation or gender identity.

We will accept assignment under the Social Security Act for all services for which payment may be made under Part B of Title XVIII (Medicare) of the Act.

We have an agreement with the state agency which administers the state plan for medical assistance under Title XIX (Medicaid) of the Act to provide services to persons entitled to medical assistance under the plan.
